In most applications where the HDMI cable exceeds 16ft, a signal booster (Model Number: B122-000-60) should be used with this cable to ensure a signal strong enough for your display.

High Speed HDMI Cable, HD 1080p, Digital Video with Audio (M/M), Black, 35-ft.

MODEL NUMBER: **P568-035**

Description

Tripp Lite's 35-ft. High Speed HDMI (High-Definition Multimedia Interface) Gold Cable allows interconnection between digital display devices, such as DTV's (Digital Television), Plasma displays, LCD TV's and projectors, to Digital source devices, such as Digital Set-Top boxes, Blu-Ray players and AV receivers. Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter. HDMI assures that the best audio/video signal is always sent from the source (HDTV signal, Blu-Ray Player) to the display (Projection Television, LCD, Plasma, etc.). It does this by allowing uncompressed video and multi-channel audio data to be input to the display device through one single cable. An HDMI connection allows input at high rates of speed, up to 18 Gbps.

Features

- Creates a pure digital connection between HDMI-enabled HDTV display devices and HDMI-enabled digital video sources
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Gold-plated connectors provide optimal signal transfer
- Premium double-shielded cable protects against outside noise (EMI/RFI)
- Impedance-matched twisted-pair construction reduces cross-talk and interference
- Bandwidth up to 18 Gbps - Full 1080p resolution
- Perfect for connecting an iPad2 to an HDTV (video mirroring) to watch movies, play games, surf the web and display presentations (when used with iPad to HDMI adapter)
- Supports High Definition (HD) video resolutions up to 1080p

Highlights

- 35ft, Premium double-shielded digital audio/video cable
- Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter
- Gold-plated connectors provide optimal signal transfer
- Bandwidth up to 18 Gbps - Full 1080p resolution
- High Speed HDMI and HDCP compliant
- Supports High Definition (HD) video resolutions up to 1080p

System Requirements

- HDMI Video Source
- HDMI Video Display

Package Includes

- 35-ft. High Speed HDMI Gold Cable
