Emergency Key Boxes

A range of key boxes designed to house restricted keys at a locked door in case of emergency. The doors are secured either by a key or by a numbered seal to prevent unauthorised tampering.

- Single key position
- Steel construction
- Key lock versions available with glass or solid front
- Numbered seal version (glass fronted) comes complete with hammer, chain, and 2 seals
- Dims (H x W x D): 150 x 125 x 30mm
