SPRING ANCHORS

CSC spring anchors can be the quickest, and most efficient and economical way to secure the ends of an extension spring.

Low cost, adjustable, rugged and easy to use, put your extension spring to work the easy way. Fine tune your loads with minimum trouble.

Spring anchors are made of C 1022 steel with a black oxide finish and 302 stainless, no finish.

PRODUCED EXCLUSIVELY BY CENTURY SPRING CORP.

Lever-arm and Anchor Set-Up

With Minimal Spring Space

For Easy Anchor Adjustment

SPRING ANCHORS, STEEL
