Customer Contact: Kathy Haggar	**Phone:** 512-532-5261	**Dept:** Sales
PCN Type: End of Life **Last Order Date: 9/23/2014**		

PCN Details

Description of Change:
Silicon Labs announces an End of Life (EOL) and Last Time Buy (LTB) for EM2420-RT product.

All orders, including Last Time Buy orders, for the EM2420-RT must be placed by the Last Order Date (23 September 2014) and must have a customer requested delivery date prior to the PCN effective date (23 March 2015). Any orders with a customer requested delivery date between the Last Order Date, (23 September 2014) and the PCN Effective Date (23 March 2015) will be non-cancellable and non-returnable.
Orders with a customer requested delivery date beyond the PCN Effective Date of 23 March 2015 will not be accepted.

If you have questions about this PCN, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

Silicon Labs recommends the EM351 or EM357 for ZigBee replacement parts. The recommended replacements are easier to design-in, offer lower BOM cost, lower power consumption and provide better performance. The EM351 and EM357 are not pin to pin compatible to the End of Life device, EM2420-RT. The recommended datasheets are available from www.silabs.com.

Reason for Change: End of Life

Impact on Form, Fit, Function, Quality, Reliability: There is no pin-for-pin replacement for the EM2420-RT transceiver. The recommended EM351 and EM357 parts integrate the MCU and transceiver into a single IC and is a change in form, fit and function. There is no change to Quality or Reliability.

Existing OPN	Replacement OPN
EM2420-RT	EM351
EM2420-RT	EM357

Last Date of Unchanged Product: Not Applicable
