

# Notepal ERGO 360

R9-NBS-E36K-GP(Global)

Notepal ERGO 360 is an ergonomic laptop cooling stand and tablet stand built into one. Dual cooling fans provide excellent cooling while remaining whisper quiet. 360° rotation and three height settings gives you maximum comfort and lets you show movies and pictures comfortably with anyone. There's more. The adjustment stand pops off and transforms into a tablet stand with three height settings. Plus, you can use the laptop cooler and tablet stand at the same time.

## Features

- Three ergonomic height settings for comfortable viewing angle
- Rotates 360° for convenient viewing
- Aluminum plate for laptop heat dissipation
- Dual silent fans provide excellent cooling performance
- Anti-slip holders keep your laptop stable
- Cable grooves for easy USB cable management
- Height setting stand can be removed and used as a tablet stand
