SD700 External Solid State Drive

The SD700 arrives as one of the first IP68 dust and water proof durable external SSDs with 3D NAND Flash. It combines an array of innovative features and technologies to give you performance, endurance, and convenience wherever you go. Clad in a tough shell, it's also military-grade shockproof while four times faster than external HDDs (mechanical drives) at 440MB/s read and write. Running via USB 3.1 Gen 1, the SD700 is cross-platform compatible with Windows, Mac OS, and Android to enable easy content sharing and transfer. It's light (just 75g!), silent, cool, and very power efficient. This is the durable SSD your adventures demand.

Goodbye slow, welcome fast

Say hello to USB 3.1 Gen 1 and high-grade 3D TLC NAND Flash with speed-enhancing algorithms and a DRAM cache, delivering performance multiple times higher than mechanical hard drives. The SD700 reaches 440MB/s read and write, compared to max 100MB/s on an HDD.

Quality 3D NAND Flash

The SD700 uses new 3D NAND, or stacked TLC Flash. The technology offers higher density, increased reliability, and better power efficiency compared to previous 2D NAND SSDs. You get a better product at a better value.

IP68 dust/water proof plus military-grade shockproof

The SD700 passes IEC IP68 specs, ensuring complete dust-tight protection and survivability in up to 1.5m of water for 60 minutes. We also tested it to military-grade MIL-STD-810G 516.6 shockproof requirements.

Light and easy to carry

At just 75g, the SD700 differs greatly from the external durable storage you may be used to. This one slips comfortably into a jacket pocket, and definitely goes well with a bag without adding to your burdens. Always with you and ready for work, the SD700 delivers portable strength .

Features

- Read/write speed up to 440 MB/s
- Tough IP68 dust/water proof
- Military-grade shockproof
- Supports Android, Mac OS and Windows
- Lighter, quieter, more shock resistant and more durable than external HDDs
- Portable-slim and sporty design

Specifications

- Interface: USB 3.1 Gen 1
- Capacity: 256GB / 512GB / 1TB
- Color: Black / Yellow
- Dimensions (L x W x H): 83.5 x 83.5 x 13.9 mm / 3.3 x 3.3 x 0.5"
- Weight: 75g(2.6oz)
- Warranty: 3 years
