Operating Temperature Range	
Required Quantity	

SPECIFICATIONS

Frequencies	From **1.0 to 800MHz** currently available High frequency fundamental mode available
Miniature packages	As small as **3.2 x 2.5 x 1.1mm** currently available
Wide pullability options	Frequency pullability **upwards of ±150ppm** available
Output Types	Complementary ECL, complementary PECL, LVDS and CMOS output types available

ORDERING INFORMATION

To request a quotation please use the configurable options form to indicate your requirements, and then submit your request to our team. Our expert advisers are always happy to help and can be contacted on +44 1460 256 100 or at sales@golledge.com.

Once we've received your request our expert team will then produce a quotation tailored to meet your needs using the option codes you've selected.

Following product selection you will be issued with a seven character Golledge part number. Your Golledge part number is the internationally accepted Golledge manufacturing part number (MPN) that should be used for all project documentation, including bills of materials (BoMs) and purchase orders.

If you have any queries regarding any of our documentation our dedicated sales team will be happy to help.

OTHER INFORMATION

About Golledge

We are the UK's leading supplier of frequency control products and are proud to serve the global electronics industry. Our philosophy is a focus firmly on your requirements by striving to meet and exceed your needs. We do this by ensuring the utmost quality and consistency in our products and services. If you have any queries about the Golledge service or any of our products please get in touch, we'd love to hear from you.
