

# Short pulse valve VLK-3-PK-3

Part number: 9639

FESTO

## Data sheet

| Feature                             | Value                                                                                                            |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Nominal width                       | 2.5 mm                                                                                                           |
| Type code                           | VLK                                                                                                              |
| Symbol                              | 00992823                                                                                                         |
| Operating pressure                  | 2.5 bar ... 8 bar                                                                                                |
| Standard nominal flow rate          | 90 l/min                                                                                                         |
| Explosion prevention and protection | Observe the information on the certificate<br>Zone 1 (ATEX)<br>Zone 2 (ATEX)<br>Zone 21 (ATEX)<br>Zone 22 (ATEX) |
| Ambient temperature                 | -10 °C ... 60 °C                                                                                                 |
| Product weight                      | 170 g                                                                                                            |
| Type of mounting                    | On mounting frame                                                                                                |
| Seals material                      | TPE-U(PU)                                                                                                        |
| Housing material                    | Die-cast zinc                                                                                                    |
