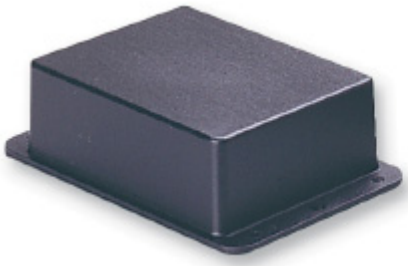
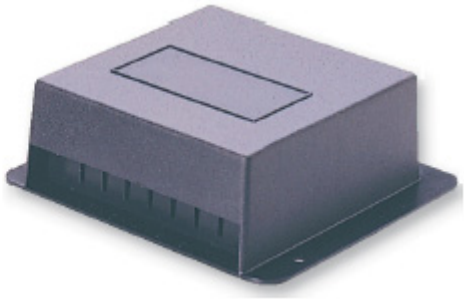
# Flanged Boxes

## PBL Series





### Features:

- These boxes are moulded in ABS to give maximum strength but can be easily punched or drilled for individual requirements and to produce a professional looking end product
- They are available in matt black finish
- The base is loose fitting but may be secured in place when the box is clamped to a panel or bulkhead through the two fixing holes
- Alternatively the base may be riveted to the box flange to form a tamperproof housing
- PBL7 case has a separate self-locking base and seven numbered slots are provided for wires or 0.25 inches PCB mounting blades
- The smart appearance makes it ideal for alarms or automotive applications
