## Bellow cylinder EB-250-85 Part number: 36489

## **Data sheet**

| Feature                                  | Value  |
|--|--|
| Size                                     | 250<br>250   |
| Required installation Ø                  | 265 mm   |
| Stroke                                   | 85 mm  |
| Max. height, advanced                    | 140 mm   |
| Max. angle of inclination                | 20 deg   |
| Max. offset                              | 10 mm  |
| Min. installation height                 | 51 mm  |
| Type code                                | EB<br>EB   |
| Mode of operation                        | Single-acting Single-acting  |
| Symbol                                   | 00991205<br>00991205   |
| Operating pressure                       | 0 bar 8 bar  |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [-:-:4]<br>Compressed air as per ISO 8573-1:2010 [-:-:4] |
| Information on operating and pilot media | Operation with oil lubrication not possible Operation with oil lubrication not possible        |
| Corrosion resistance class (CRC)         | 2 - Moderate corrosion stress<br>2 - Moderate corrosion stress                                 |
| Ambient temperature                      | -40 °C 70 °C   |
| Resetting force                          | 200 N  |
| Product weight                           | 2300 g   |
| Type of mounting                         | With internal thread<br>With internal thread   |
| Pneumatic connection                     | G3/4<br>G3/4   |
| Note on materials                        | RoHS-compliant Free of copper and PTFE Free of copper and PTFE RoHS-compliant                  |
| Bellows material                         | NR/BR<br>NR/BR   |
| Housing material                         | Steel<br>Galvanized<br>Steel<br>Galvanized   |
