Multi-Link Bluetooth Keyboard with Stow-Away Stand

Wireless Bluetooth Keyboard with Multi-Link Capability

Perfect for mobile users, the IOGEAR Multi-Link Bluetooth Keyboard with Stow-Away Stand features a built-in stow-away folding smartphone/tablet stand, and an extremely small footprint but still manages to provide large enough keys to maintain typing accuracy. Connect up to 6 Bluetooth enabled devices to the GKB631B and easily switch between them without taking your hands off the keyboard! Featuring dedicated shortcut keys for both Android and iOS functions, the GKB631B is perfect for tablet and smartphone users who crave the speed and ease of typing on a physical keyboard. The compact size and universal Bluetooth connectivity make it the ideal companion for writers, bloggers and social media mavens that prefer working on a tablet at their local coffee house over sitting in front of a computer. The IOGEAR Multi-Link Bluetooth Keyboard pairs easily with any device supporting Bluetooth 3.0 HID profile, including most smartphones, tablets, PCs, Mac and game consoles, making it one of the most versatile keyboards available!
