

## MRC-RMT0003 Mount for AN/PRC-117G

### Overview

The MRC-RMT0003 allows for easy installation of transceivers with attached power supplies/power adapters to be used in vehicle/shelter installations. Integrated shock/vibration mount protects equipment from shock and vibration with integrated isolators between bottom mounting plate and equipment mounting tray. The MRC-RMT0003 is equipped with security cable to secure radio to the mount.

The MRC-RMT0003 features a quick-release latch that can be operated with one hand, making it ideal for “jerk-and-run” situations. The included steel security cable allows the radio and power supply to be locked to the mount.

### Features

- ▶ **Protects AN/PRC-117G radio from shock and vibration**
- ▶ **Quick-release latch can be operated with one hand**
- ▶ **Security cable allows radio and power supply to be locked to mount**
- ▶ **Rugged construction**
