Voltage type voltage transformer

Model:TV6023BK

Characteristics:

Din-rail type mounting, replace TV30GK.

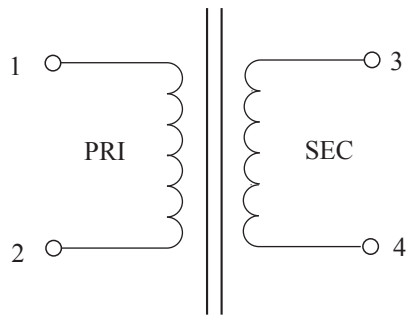

Technical index:

Mounting type：Din-rail type installation
Material of the core：Silicon steel sheet
Flame resistance：UL94-V0
Execution standard：GB1208-2006
Operating temperature：-20℃～+70℃
Storage temperature：-30℃～+90℃
Frequency range：50Hz-400Hz
Dielectric strength：5KV 50Hz 1min（Secondary/Primary）

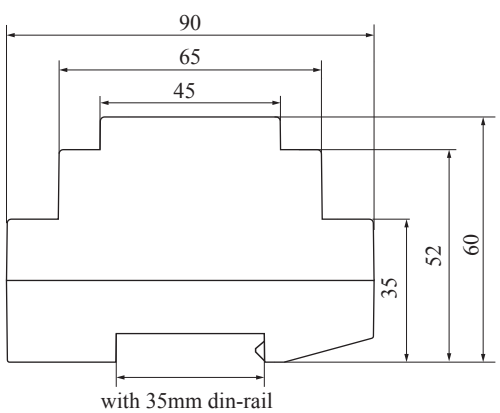

Electrical parameters:

Rated input	380	V
Max. input	690	V
Rated output	220	V
Turns ratio		
Accuracy	±0.5	%
Linearity	20-120	%
Phase difference		
sampling resistance	≥10	KΩ
Weight		g
