Capacitors for Power Electronics (PEC) - Cylindrical

FEATURES

- Very low stray inductance < 40 nH
- Extremely low losses also at high frequencies
- Low ESR: < 4 mΩ
- Highest RMS current rating: up to 80 A
- High impulse discharge current capability
- Resistance to heavy duty shock vibration
- High reliability and life expectancy
- Integrated flanges enable easy mounting
- Casing material: UL 94 V-0

APPLICATION

- Damping GTO thyristors
- Protection of GTO capacitors
- Low inductance buffer circuits
- High current DC filtering
- Medium frequency tuning
- Pulsed laser

QUICK REFERENCE DATA	
DESCRIPTION	**VALUE**
Rated DC voltage min.	700 V
Rated DC voltage max.	2150 V
Capacitance min.	15 µF
Capacitance max.	230 µF
Technology	Metalized polypropylene
Dissipation factor (tan δ_0)	< 2 x 10^{-4}/2 kHz
Capacitance tolerance	± 5 %
Operating temperature (hotspot)	$\theta_{min.}$ - 40 °C $\theta_{max.}$ - 80 °C
Inductance	< 30 nH
Lifetime expectancy	100 000 h at U_{NDC} and < 60 °C hotspot
Reliability	300 FIT
Test voltage	Terminal/terminal = 1.5 x U_{NDC}, 10 s; Terminal/case = 2 x U_{NDC} + 1000 V_{AC}, 60 s
Casing material	Polyester, UL 94 V-0
Filling	Resin polyurethane, UL 94 V-0
Standards	IEC 61071-1, IEC 61881, and EN 61071-1

Disclaimer

ALL PRODUCT, PRODUCT SPECIFICATIONS AND DATA ARE SUBJECT TO CHANGE WITHOUT NOTICE TO IMPROVE RELIABILITY, FUNCTION OR DESIGN OR OTHERWISE.

Vishay Intertechnology, Inc., its affiliates, agents, and employees, and all persons acting on its or their behalf (collectively, “Vishay”), disclaim any and all liability for any errors, inaccuracies or incompleteness contained in any datasheet or in any other disclosure relating to any product.

Vishay makes no warranty, representation or guarantee regarding the suitability of the products for any particular purpose or the continuing production of any product. To the maximum extent permitted by applicable law, Vishay disclaims (i) any and all liability arising out of the application or use of any product, (ii) any and all liability, including without limitation special, consequential or incidental damages, and (iii) any and all implied warranties, including warranties of fitness for particular purpose, non-infringement and merchantability.

Statements regarding the suitability of products for certain types of applications are based on Vishay’s knowledge of typical requirements that are often placed on Vishay products in generic applications. Such statements are not binding statements about the suitability of products for a particular application. It is the customer’s responsibility to validate that a particular product with the properties described in the product specification is suitable for use in a particular application. Parameters provided in datasheets and/or specifications may vary in different applications and performance may vary over time. All operating parameters, including typical parameters, must be validated for each customer application by the customer’s technical experts. Product specifications do not expand or otherwise modify Vishay’s terms and conditions of purchase, including but not limited to the warranty expressed therein.

Except as expressly indicated in writing, Vishay products are not designed for use in medical, life-saving, or life-sustaining applications or for any other application in which the failure of the Vishay product could result in personal injury or death. Customers using or selling Vishay products not expressly indicated for use in such applications do so at their own risk and agree to fully indemnify and hold Vishay and its distributors harmless from and against any and all claims, liabilities, expenses and damages arising or resulting in connection with such use or sale, including attorneys fees, even if such claim alleges that Vishay or its distributor was negligent regarding the design or manufacture of the part. Please contact authorized Vishay personnel to obtain written terms and conditions regarding products designed for such applications.

No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document or by any conduct of Vishay. Product names and markings noted herein may be trademarks of their respective owners.
