

圖面番号 (DRAWING NO.)

Technical drawing of a cable assembly. The drawing includes a cross-section view and a side view. The cross-section view shows a central cable with a diameter of $\phi 1.5$ and a pitch between terminals of 18.4. The side view shows the cable assembly with a length of 4. The drawing is labeled with dimensions and a scale of 2:1.

Technical drawing of a mechanical part with the following dimensions:

- Overall width: 23.6 ± 0.5
- Distance from left face to first vertical step: 11
- Distance from left face to second vertical step: 18.8 ± 0.5
- Distance between vertical steps: 5.95
- Distance from second vertical step to right face: 2.75
- Distance from second vertical step to right face (lower section): 2
- Thickness of the part: $t \pm 0.35$
- Maximum cut-off area: 0.3 MAX.

Figure 1 is a schematic diagram of the experimental setup. It shows a vertical tube with a piston and a spring. A circular cross-section is shown at the top, with a label 'A' pointing to it. A dimension line at the bottom indicates a height of 32 units.
