- Stands up to rough weather on the job

Lightweight but powerful, the Energizer® Hard Case Professional® LED Spotlight provides an intense focused beam with a tight white spot suited for long distance lighting applications such as searching. Made from impact resistant ABS plastic with steel sides and a shock absorbing rubber overmold, the light survives a 4-meter drop. It is water resistant, making it ideal for many outdoor applications. Finally, its 11-hour runtime keeps cost of ownership low.

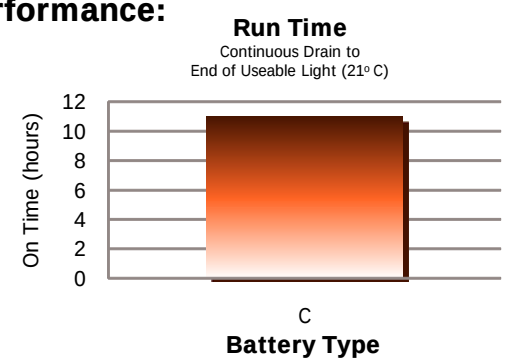

**Before Using Your Flashlight:**
Please read all instructions and cautionary markings on the package and light
