U-CREATE-PROCON-WEB-D-5000

Weidmüller Interface GmbH & Co. KG
Klingenbergstraße 26
D-32758 Detmold
Germany

www.weidmueller.com

web-based visualisation software for future-proof HMI solutions

Your benefits:

- Easy creation of modern user interfaces without knowledge of web technologies
- Operate your application through dynamic web interfaces with adaptive design and customisable control elements
- User and rights management including geographical rights assignment
- Extensive alarming, reporting as well as data logging and other advanced features
- Multilingualism thanks to Unicode standard
- Easy scalability from HMI to SCADA applications
- Efficient project planning supported by style guides and project templates
