

ESD Anti-Static Wrist Strap Band with Grounding Wire

MODEL NUMBER: **P999-000**

Highlights

- Adjustable grounding wristband
- Dissipates static electricity during electronic repair and maintenance

Package Includes

- ESD Anti-Static Wrist Strap with Ground

Description

Tripp Lite P999-000 is an anti-static device used to prevent electrostatic discharge (ESD) by safely grounding a person who is working on sensitive electronic equipment. It is an adjustable wristband used by workers in electronic assembly plants or repair depots to protect electronic devices that can be damaged by ESD. It is manufactured with a conductive carbon interior coating for static control and protection.

Features

- Resting length: 2ft
- Max stretched length: 6ft
- Dissipates static electricity during electronic repair and maintenance
- Adjustable wristband
- Molded ends for long life use
