

B72225M0151M301^{New}
Product

Applications

Communications Communication Systems

Industrial Industrial

Type

MT25K150FT3M301

Status

Production

Size

W (Width) 25.00mm Max.

T (Thickness) 14.00mm Max.

H (Height) 28.00mm Max.

Detail Size Information [Please refer to the catalog](#)

Electrical Characteristics

Varistor Voltage @ 1mA 240V

Maximum Operating Voltage [DC] 200V

Maximum Operating Voltage [AC] 150Vrms

Nominal Discharge Current In [8/20μs, 15times] 10kA

Maximum Surge Current I_{max} [8/20μs, 1time] 20kA

Energy Absorption 215J

Capacitance (Typ.) 2.37nF

Other

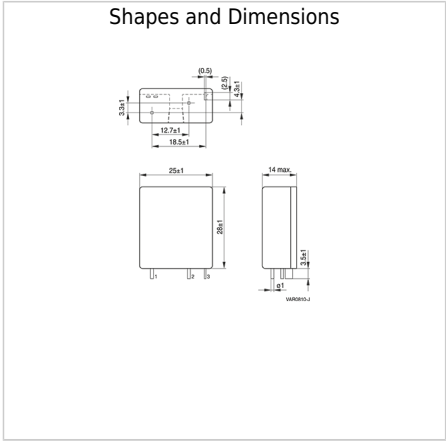

Operating Temperature Range [Please refer to the catalog](#)

Soldering Method [Please refer to the document \(Soldering Instructions\)](#)

Packing Information [Please refer to the document \(Taping, Packaging and Lead Configuration\)](#)
