

High Quality POTENTIOMETERS

RPA series

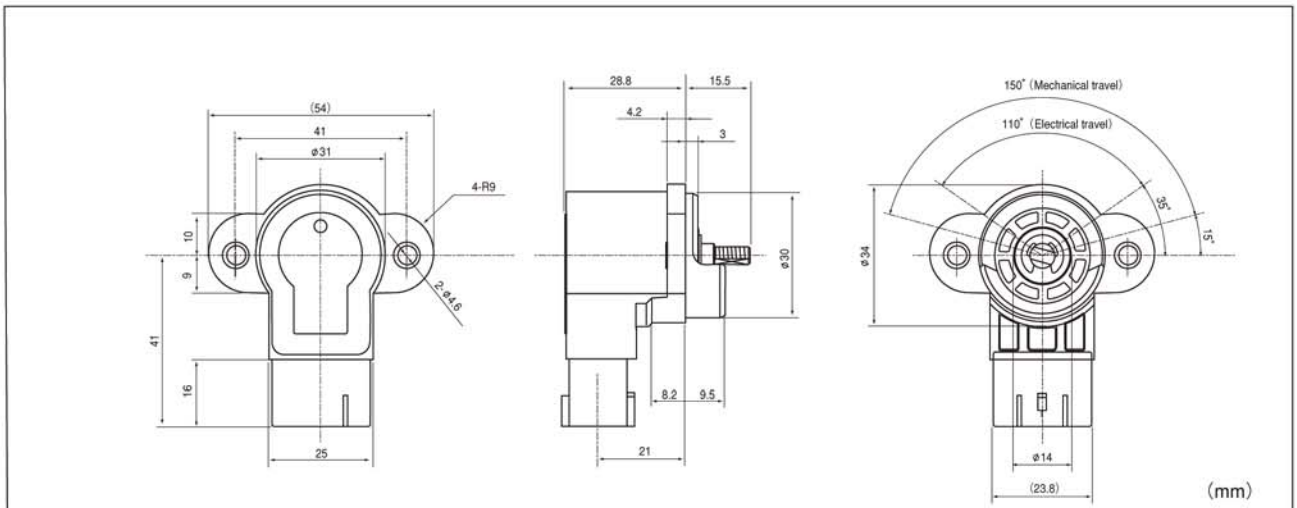

Key Features

- Long life
- Linearity
- Durable (Stainless shaft)
- Connector-equipped all-in-one
- Waterproof

Potential Applications

- Electric vehicles
- Personal mobility
- Off road vehicles, Golf cart, ATV's (All Terrain Vehicles)

Dimensions

Specifications

Rotational Life	5 million cycles
Electrical Travel	110° ±5 %
Mechanical Travel	150° ±5 %
Size & Construction	Connector-equipped all-in-one unit/Waterproof
Resistance Range	2 kΩ
Resistance Tolerance	±20 %
Power Rating	0.15 W at 40°C
Operating Temp. Range	-30°C to +120°C
Waterproof	IP67
