

fuse GLDII 500V, super quick acting

### Description

- Characteristic gR
- According to IEC 269
- According VDE 0636
- Protection of semiconductors
- Time-current characteristic on request
- Cut-off current characteristic on request

### Technical Data

Rated Current In	2- 25A
Rated Voltage	500VAC
Breaking Capacity	50kA
Rated Power Operating Frequency fe	50Hz

### Basic Design

Insulator	Ceramic
Metal components	Brass

### All Variants

Rated current [A]	Style [Compact]	Power Loss [W]	Order Number	E-No
2	-	-	0034.1101	800220209
4	-	-	0034.1102	800220409
6	-	-	0034.1103	800220609
10	-	-	0034.1104	800221009
