

Part No.

# GAUD-0200

0-200 psig Digital Pressure Gauge

Easy to read digital display eliminates the uncertainty guessing where the pointer lies

## Features

- $\pm 0.25\%$  full scale accuracy
- 316 stainless steel wetted parts
- Battery life of 2500 hours
- Extruded aluminum case, polycarbonate cover
- 1/4" Male NPT lower mount

GAUD-0200

## Specifications

Pressure Range	0 to 200 psig
Accuracy	$\pm 0.25\%$ of Full Scale $\pm 1$ least significant digit
Process Connection	1/4" male NPT bottom connection
Units of Measure	psig
Dial Size	2.88 in (7.32 cm)
Batteries	2 AA
Battery Life	2500 hours
Temperature range	-4 to 185 °F (-20 to 85 °C)
Construction	ABS Plastic, Aluminum, Stainless Steel
Gauge type	Digital
