

Mini DisplayPort to DVI Adapter Cable (M/M), 1080p, 3 ft.

MODEL NUMBER: **P586-003-DVI**

Connect a computer with a Mini DisplayPort to a DVI-enabled monitor.

Features

Connect a Mini DisplayPort Output to a DVI Monitor

Tripp Lite's P586-003-DVI Mini DisplayPort to DVI adapter cable offers an easy, inexpensive way to connect a Mini DisplayPort device to a DVI-enabled monitor or TV. The P586-003-DVI's male-to-male connectors eliminate the need for a separate adapter and cable.

Simple Plug-and-Play Convenience and Superior Video Quality

This Mini DisplayPort to DVI converter cable offers plug-and-play convenience with no external power or drivers required. Simply plug it in and you're ready to go. It's HDCP compatible and supports 1080p HD video with resolutions up to 1920 x 1200, as well as audio (requires a Mini DisplayPort-enabled computer that supports audio pass through). The P586-003-DVI is a passive adapter cable designed for use with dual-mode DisplayPort (DP++) graphics cards.

Low-Profile DVI Connector Fits Neatly Into Available Space

No more jamming your connector in between the wall and monitor or impeding neighboring connections.

3-Year Limited Warranty

The P586-003-DVI is backed by a 3-year limited warranty, ensuring reliability and performance.

Highlights

- All-in-one Mini DisplayPort to DVI cable design
- Passive adapter cable for use with dual-mode DisplayPort (DP++) graphics card
- Supports computer video resolutions up to 1920 x 1200
- Supports HD video resolutions up to 1080p
- Low-profile DVI connector fits neatly into available space

Applications

- Display video on a large monitor or digital sign
- Use your current DVI monitor with your newer Mini DisplayPort desktop, laptop or tablet computer
- Use a DVI projector with your Mini DisplayPort computer
- 3 ft. cable can replace longer cables to reduce clutter

System Requirements

- Computer with Mini DisplayPort video port
- Dual-mode DisplayPort (DP++) graphics card
- DVI monitor
- Not for use with MST hubs. For compatibility with MST hubs, use a DisplayPort 1.2 compliant product such as P586-003-DVI-V2.

Package Includes

- 3 ft. Mini DisplayPort to DVI Adapter Cable
