DS9101+	Multipurpose clip

+Denotes a lead(Pb)-free/RoHS-compliant package.

DESCRIPTION

The DS9101 Multipurpose Clip offers the user a low-cost fixture that mounts an iButton® to a plastic badge or, using an additional wire or tie wrap, any object that provides a hole for strap-mounting. In contrast to the DS9093P/S, the DS9101 also allows mounting iButtons to bags or other soft-surfaced objects.

The DS9101 is designed for easy attachment and detachment. Using a DS9093RA Lock Ring, the DS9101 can hold an iButton permanently and still allow all the flexibility of strap mounting.

iButton is a registered trademark of Maxim Integrated Products, Inc.
