PCN Details			
Description of Change: Silicon Labs is pleased to announce that a change is being made to the shipment media of CP2400-GM and CP2401-GM, QFN-7x7 devices. Per the effective date of this PCN, there will be a change in Shipment media from Tube to Tray. Tape & Reel option is still available and there is no change. The tray dimensions that Silicon Labs will be using are standard JEDEC tray dimensions and the dimensions meet standard JEDEC tray requirements. Please refer to Appendix A for Tube (current) and Tray (proposed) drawings.			
Reason for Change: This change is being implemented to support a capacity expansion.			
Impact on Form, Fit, Function, Quality, Reliability: There is no impact to Form, Fit, Function, Quality and Reliability.			
Product Identification: CP2400-GM/CP2401-GM			
Last Date of Unchanged Product: 6/11/2014			
Qualification Samples: No action is required from customers; however, tray samples are available for customers who would like to perform a physical check. If you have questions about this notification, please contact your Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com			

Process Change Notice #1403071

Specific conditions of acceptance of this change will be considered on a case by case basis if written notice is submitted within 30 days of this notice. To request further data or inquire about this notification, please contact your local Silicon Labs sales representative. A list of Silicon Labs sales representatives is available at www.silabs.com.

In some cases rejection of a change notice may impact Silicon Labs product pricing, delivery, quality, or reliability.
